To Whom It May Concern:

It is my great pleasure to introduce to your acquaintance the firm of Qualis International, Inc.

Founded in 1988, Qualis International is a certified 100% Woman-Owned Business who has been supplying products and services to us here at The Home Depot for almost 20 years.

They have established knowledge and expertise in the discipline of:

- *Product Procurement*
- *Warehousing and Storage*
- *"Just in Time" Distribution Services*

Their capabilities in Global Sourcing, geographic diversification and unique vendor relationships are all factors that contribute to a very flexible and price competitive service offering.

In addition to warehousing and distribution services, Qualis also offers a wide array of products for sale that span the Retail, Institutional and Commercial markets. These include items as diverse as towels, tissues, vending machines, box liners and magazine display racks.

I am confident that as you gain a greater understanding of their capabilities, you will find, as we did, that Qualis is a uniquely capable and highly flexible firm that will deliver results.
